Nairobi, KENYA.

17th, March, 2026

Dear Sir/Madam

REF: PERMISSION TO CONDUCT RESEARCH- STEPHEN AUSTINE WANYAMA
STUDENT ID NO- 667917

The bearer of this letter is a student at United States International University (USIU) –Africa and is pursuing **Bachelor of Science in Data Science and Analytics**.

As part of the program, the student is required to undertake a dissertation on “**PREDICTING HEART DISEASE RISK THROUGH MACHINE LEARNING**.” which requires the student to collect data. The proposal has been subjected to ethical review and positive verdict given by the Institutional Review Board.

Kindly assist the student with the research permit and should you have any queries contact the undersigned.

Yours Sincerely,

Prof. Amos Njuguna,
DVC – Transformative Teaching, Learning and Research
